- 5.5 IOM shall be entitled to charge liquidated damages equivalent to 0.1% (one-tenth of one percent) of the total Contract Price for each day of delay until the entire Works are completed and accepted by IOM according to Article 4.7. IOM may, at its sole discretion, grant a conditional time extension whereby the Works are not considered to be in delay during the time extended, but in case of non-completion within the extended period, the calculation of liquidated damages for delay outlined herein shall be from the original Completion Date before extension. If the Agreement is terminated by either Party after the Completion Date (before extension) due to non-completion of the Works, the Contractor shall be liable to IOM for liquidated damages equivalent to 0.1% (one-tenth of one percent) of the total Contract Price for each day from the Completion Date (before extension) to the notice date of termination.

6. Work Schedule

- 6.1 Within the timeframe specified in the Notice of Award (NoA) and no later than the date of signature of this Agreement, the Contractor shall submit to IOM a work schedule (the “**Work Schedule**”) showing the order and timing for all the activities in the Works.
- 6.2 The Contractor shall keep and update a daily logbook on all progress and matters relating to the Works in accordance with industry standards. The logbook shall be inspected and verified for accuracy, daily or at an interval designated by IOM, by a designated IOM staff or its authorized representatives. The logbook shall be the authoritative source of information for determining the extent of the Works completed (the “**Completion Rate**”). In

case the Contractor fails to update the logbook properly with the required verification, IOM shall have the right to solely determine the Completion Rate which cannot be challenged by the Contractor.

- 6.3 The Contractor shall submit an updated Work Schedule as and when requested by IOM or its Project Manager.
- 6.4 The Contractor shall notify IOM through its Project Manager of any proposed change in the Work Schedule. Any change shall be subject to prior written approval by IOM. The Contractor shall also submit to the Project Manager for approval a revised schedule within 7 (seven) calendar days from the date of proposing the change.
- 6.5 If at any time IOM deems that Contractor's actual progress is inadequate to meet the requirements of this Agreement, IOM may notify the Contractor to take such steps as may be necessary to improve its progress. If after a reasonable period, as determined by IOM, the Contractor still does not improve its performance, IOM may require an increase in Contractor's labour force, the number of shifts, workdays per week, overtime hours, amount of equipment, or require expedited shipment of equipment and materials, all at the Contractor's cost and without additional cost to IOM.
- 6.6 If at any time the Contractor's labor force is inactive due to unpaid wages, the Contractor shall be liable to IOM for liquidated damages equivalent to 0.1% (one-tenth of one percent) of the total Contract Price for each day of work stoppage until the entire labor force resumes work on the Project. This penalty shall be applied independently of any other sanction or penalty allowed for in this Agreement.

7. Work Variation

- 7.1 IOM reserves the right at any time to order any variations, alterations or modifications in the scope of work, technical specification, or drawings relating to the Works, as specified under Annex A herein, which are deemed necessary or appropriate by IOM in the best interest of the Project ("**Work Variation**").
- 7.2. The Contractor shall, within ten (10) calendar days from receipt of notice of Work Variation from IOM, confirm in writing to IOM the impact of the Work Variation on the Contract Price, Payment Schedule, Work Schedule and Completion Date, if any.
- 7.3 If any work in the Work Variation corresponds with an item description in the Bill of Quantities, the rate in the Bill of Quantities shall be used to calculate the value of the Work Variation. In other cases, the cost of such Work Variation shall be evaluated and compensated as agreed between the Parties. In such case, the Contractor shall provide IOM a quotation for the cost of the Work Variation.
- 7.4 All Work Variations shall be in writing based on agreed terms by the Parties, and shall be covered by a work variation order (the "**Work Variation Order**") based on the template in Annex F of this Agreement. The Contractor shall immediately implement the terms of the Work Variation Order as agreed by the Parties.
- 7.5 All Work Variation Orders duly signed by both Parties shall automatically form part of this Agreement without need of further amendment, except in the following cases:
- a. In case the increase in the Contract Price exceeds USD 100,000, or exceeds 20% (twenty percent) of the original amount of Contract Price; or
 - b. In case the increase in the Contract Price brings the total aggregate contract value to USD 200,000 or more.

In these cases, a written amendment between Parties shall be required for such changes to form part of this Agreement.

- 7.6 Under no circumstances shall the Work Variation Order be used to modify or amend any portion of this Agreement not covered under Articles 7.1 and 7.2 above.

8. Bank Guarantee for Advance Payment (IF APPLICABLE)

The Contractor shall provide IOM with a bank guarantee to secure the requested advance payment (the “**Bank Guarantee**”) in an amount equivalent to the total amount advanced to be issued by a reputable bank or financial entity acceptable to IOM, based on the template in Annex D, or as otherwise accepted by IOM in writing. The Bank Guarantee shall be effective from the date of the release of cash advance as per Article 4.1 of this Agreement until the date of the provisional acceptance as per Articles 4.7 or 4.8, following which the Bank Guarantee will be released by IOM. IOM shall not be obliged to make any advance payment until the Bank Guarantee is received and approved by IOM. The amount of the Bank Guarantee shall not be construed as the limit of the Contractor’s liability to IOM in any event.

9. Performance Security (Applicable where the contract price is over USD 300,000)

The Contractor shall provide IOM with a performance security in the amount equivalent to 10% (ten percent) of the Contract Price, to be issued by a reputable bank or surety company, based on the template in Annex E or in a form acceptable to IOM (the “**Performance Security**”). The Performance Security shall serve as the guarantee for the Contractor’s satisfactory performance and compliance with the terms and conditions of this Agreement. The amount of the Performance Security shall not be construed as the limit of the Contractor’s liability to IOM in any event. The Performance Security shall be effective from the date of commencement of the Works until the date of Provisional Acceptance as per Articles 4.7 or 4.8 following which it will be discharged by IOM.

10. Retention

- 10.1 Upon issuance of the Certificate of Provisional Acceptance for completed Works as per Article 4.7, an amount equivalent to 10% (ten percent) of the Contract Price shall be retained by IOM (“**Retention Amount**”), to be used for repairs or reconstruction of defective works due to poor workmanship and/or inferior quality of material used which are discovered within a period of 12 (twelve) months from the date of Provisional Acceptance (“**Retention Period**”).
- 10.2 In case a Certificate of Provisional Acceptance for terminated Works has been issued as per Article 4.8, an amount equivalent to 10% (ten percent) of the Contract Price corresponding to the Completion Rate as per Article 6.2 shall be retained by IOM as Retention Amount, to be used for repairs and reconstruction of defective works due to poor workmanship and/or inferior quality of material used for which the Contractor was responsible under this Agreement which are discovered within a period of 12 (twelve) months from the date of Provisional Acceptance.
- 10.3 The Contractor may, from the date of Provisional Acceptance and until the expiration of Retention Period, request IOM to release the amount retained as per Article 10.1 or Article 10.2 by submitting an unconditional bank guarantee. Such bank guarantee shall be in a form and by a bank acceptable to IOM and in an amount and currency equal to the amount retained and effective until the expiration of Retention Period.

11. Contractor’s Responsibility

- 11.1 All government permits and licenses required for the execution of the Works under this Agreement shall be obtained prior to the commencement of the Works and paid for by the Contractor.

- 11.3 The Contractor shall assume full responsibility for the Works under this Agreement until its final acceptance by IOM as per Article 4.9. The Contractor shall have entire control and supervision of the Works and services herein agreed upon and shall be solely liable for the salaries, wages and other employment benefits of all employees and sub-contractors. Should the Contractor breach this clause, IOM has the right to proceed against the Performance Bond or Bank Guarantee or to use the Retention Amount, without prejudice to demanding direct reimbursement from the Contractor in the event that the amount of the Performance Bond Bank Guarantee or Retention Amount is

insufficient.

- 11.4 The Contractor shall be responsible for the safety of all activities on the site and for ensuring that relevant occupational health and safety laws and regulations are followed.
- 11.5 The Contractor shall be solely and fully accountable for any claim for losses, liabilities, injuries, or damages arising out of or in connection with the work done or to be performed under this Agreement including but not limited to any accident or injury of any of its employees or sub-contractors during the term of this Agreement , or for any injury to any person or damages or loss of properties arising from the construction or any act or omission of the Contractor or anyone in its employment, or its subcontractors.
- 11.6 The Contractor shall comply with local laws on wages and such other labor laws including all other laws, orders and regulations of any government authority in connection with the Works.

IOM shall promptly notify the Contractor of any written claim, loss, or demand for which the Contractor is responsible under this clause.

12. Inspection of Works

- 12.1 IOM reserves the right for itself and its representatives to inspect the Works, while in progress, so as to give IOM the opportunity to reject the whole or any portion thereof, which in the opinion of IOM's representative is defective or substandard.
- 12.2 The Contractor shall allow the Project Manager and other IOM representatives to access to the work site at any time.

13. Insurance

- 13.1 Without limiting the Contractor's liability pursuant to Article 11 (Contractor's Responsibility), the following insurance cover is to be provided and maintained by the Contractor for the entire duration of this Agreement:

- 14.3 Any work re-performed by, or any rework, repair or replacement done in satisfaction of the Contractor's obligations in relation to its warranty under this Agreement, shall automatically be re-warranted by Contractor for additional 12 (twelve) months from the completion and provisional acceptance of the rework, repair, or replacement.
- 14.4 In case of any defect in workmanship or materials, which may become apparent in the course of construction, the Contractor shall, within 7 (seven) calendar days from IOM's demand, at Contractor's own cost and expense, remedy such portion of the Works done by the Contractor as in the opinion or judgment of IOM is unsound, incorrect or defective or not in accordance with the plans and specifications.
- 14.5 In case of Contractor's default, failure or refusal to carry out such order to remove and replace the unsound, incorrect or defective portion of the Works within 7 (seven) days as required by the previous clause, IOM may terminate this Agreement and/or engage the services of other persons to carry out the same. The Contractor shall bear all expenses arising there from or incidental thereto. - 14.6 If any defects or imperfections are discovered by IOM and communicated to the Contractor after provisional acceptance but prior to final acceptance of the Works due to defective or improper workmanship and/or inferior quality of the material used, the Contractor shall immediately correct such defects within a period of 5 (five) days of receipt of written notice from IOM. Where the Contractor fails to act within this period, IOM may engage the services of a third party to correct the defect and hold the Contractor liable for the cost of such services. In such circumstances the Contractor shall reimburse IOM the cost of such repair, with interest at 2% (two percent) per month from the time such expenses were incurred until fully reimbursed. The Performance Bond, Bank Guarantee and Retention Amount, if not yet released at the time the said defects are found, may be used for this purpose.
- 14.7 The Contractor shall perform repair work with the utmost care and diligence to protect existing facilities and prevent damage thereto. In the event that damage to existing facilities is caused by such repairs, the Contractor shall repair such damage at its own expense and to IOM's satisfaction and acceptance.
- 14.8 The Contractor further warrants that:
- (a) It shall comply with all applicable laws, ordinances, rules and regulations when performing its obligations under this Agreement;

If requested by IOM at any time during the term of this Agreement, the Contractor shall provide IOM with copies of its policies, protocols, records, and other relevant materials implementing the safeguards;
 - (i) The Contract Price specified in this Agreement shall constitute the sole remuneration in connection with this Agreement. The Contractor shall not accept for its own benefit any trade commission, discount or similar

payment in connection with activities pursuant to this Agreement or the discharge of its obligations thereunder. The Contractor shall ensure that any subcontractors, as well as the officers, personnel and agents of either of them, similarly, shall not receive any such additional remuneration;

- (j) It shall respect the legal status, privileges and immunities of IOM as an intergovernmental organization, such as inviolability of documents and archive wherever it is located, exemption from taxation, immunity from legal process or national jurisdiction. In the event that the Contractor becomes aware of any situation where IOM's legal status, privileges or immunities are not fully respected, it shall immediately inform IOM;

- (l) It must not employ, provide resources to, support, contract or otherwise deal with any person, entity or other group associated with terrorism as per the most recent United Nations Security Council Consolidated List and all other applicable anti-terrorism legislation. If, during the term of this Agreement, the Contractor determines there are allegations or suspicions that funds transferred to it in accordance with this Agreement have been used to provide support or assistance to individuals or entities associated with terrorism, it will inform IOM immediately who in consultation with the donors as appropriate, shall determine an appropriate response. The Contractor shall ensure that this requirement is included in all subcontracts.

14.9 The Contractor warrants that it shall abide by the highest ethical standards in the performance of this Agreement, which includes not engaging in any fraudulent, corrupt, discriminatory or exploitative practice or practice inconsistent with the rights set forth in the Convention on the Rights of the Child. The Contractor shall immediately inform IOM of any allegation or suspicion that the following practice may have occurred or exist:

- (a) fraudulent practice, defined as any act or omission, including misrepresentation or concealment, that knowingly or recklessly misleads, or attempts to mislead, a natural or legal person in the procurement process or the execution of a contract party to obtain a financial gain or other benefit, or to avoid an obligation or in such a way as to cause a detriment to IOM;

The Contractor shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor, including relevant Warranties and Special Provisions, if any. The Contractor remains liable as a primary obligor under this Agreement, and it shall be directly responsible to IOM for any faulty performance under any subcontract. The subcontractor shall have no cause of action against IOM for any breach of the sub-contract.

On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.
- 16.3 IOM shall be entitled without liability to suspend or terminate the Agreement if Contractor is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions of the Article on Termination shall apply.

17. Intellectual Property

Nothing in or relating to this Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the International Organization for Migration.

25. No Waiver Clause

IOM's failure to insist upon a strict performance of any of the terms and conditions of this Agreement shall not be deemed a relinquishment of any right or remedy that IOM may have, nor shall it be construed as a waiver of Contractor's subsequent breach of this Agreement which shall continue to be in full force and effect. No waiver by IOM of any of its rights under this Agreement shall be deemed to have been made unless expressed in writing and signed by IOM.

26. Termination of Agreement

- 26.1 IOM may, at its option, terminate for convenience any of the work under this Agreement in whole or in part, at any time by 7 (seven) days written notice to Contractor. Such notice shall specify the Completion Rate upon termination as established by Article 6.2 and the effective date of termination. Upon receipt of such notice Contractor shall:
- (a) Immediately discontinue the Works on the date and to the extent specified in the notice and place no further purchase orders or subcontracts for materials, services, or facilities other than as may be required for completion of such portion of the Works that is not terminated;
 - (b) Promptly cancel upon terms satisfactory to IOM all purchase orders, subcontracts, rentals, or any other agreement existing for the performance of the terminated work, or assign those agreements as directed by IOM;

The Contractor shall submit within 7 (seven) calendar days after receipt of notice of termination, a written statement setting forth its proposal for an adjustment to the Contract Price to include only the incurred costs described in this clause. IOM shall review the proposal, and negotiate an equitable adjustment of the Contract Price. Other amounts paid in advance by IOM will be refunded by the Contractor within 7 (seven) days.

- 26.3 IOM may terminate this Agreement or any of the work under this Agreement at any time by immediate written notice to the Contractor, for causes which include but are not limited to:

Amounts paid in advance by IOM will be refunded by the Contractor within 7 (seven) days from the date of IOM's request.

- 26.4 Where IOM terminates this Agreement as per Article 26.3 above, all materials, plant, equipment and works financed under this Agreement shall be deemed to be the property of IOM, and the Contractor shall be liable for all the direct replacement cost incurred to IOM for the completion of the Works. The Contractor shall pay IOM the required amount within 30 (thirty) days from receipt of an invoice from IOM. The direct replacement cost shall be the difference between the remaining amount in Contract Price not paid to the Contractor upon termination including the Retention Amount (after the settlement of all remaining debts and obligations) and the actual cost spent by IOM for completion of the remainder of the Works plus overhead of 10% (ten percent) for additional administrative efforts of IOM.
- 26.5 Upon any termination, the Contractor shall waive any claims for damages including loss of anticipated profits on account thereof.
- 26.6 IOM may suspend the Agreement at any time, in whole or in part. In the event of suspension of this Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IOM will notify the Contractor in writing when the suspension is lifted and may modify the completion date. The Contractor shall not be entitled to claim or receive any additional payment or costs incurred during the period of suspension of this Agreement.

We undertake to indemnify you for any cost, loss or liability incurred by you as a result of our failure to comply with the terms of this Guarantee.

We further agree that no change or addition to or other modification of the terms of the Contract (including its annexes) to be performed thereunder, including any extension of the term of the Contract, shall in any way release us from any liability under this Guarantee, and we hereby waive notice of any such change, addition, or modification. We confirm that you do not need to proceed against or enforce any other rights or security or claim payment from any person before claiming under this Guarantee.

This Guarantee shall remain valid and in full effect from the date of the Advance Payment under the Contract until *[insert the date of expiry]*, which date may be extended from time to time for such period as may be agreed by IOM and the Contractor. We waive any right we may have to receive notice of such extension and agree that this Guarantee shall remain valid and enforceable notwithstanding such extension. Any claim in respect thereof should reach us not later than the said date. Upon expiry, the Guarantee will be deemed invalid whether the original instrument would have been returned to the Bank or not.

This Guarantee shall not be assigned or transferred.

Nothing in or relating to this Guarantee shall be deemed a waiver, express or implied, of any of the privileges and immunities of the International Organization for Migration as an intergovernmental organization.
