

## CALL FOR EXPRESSION OF INTEREST

REF.: UA1-2021-1815

**PROJECT:** Improving living conditions of internally displaced people in Eastern Ukraine

**SUBJECT:** Prequalification of participants for tender for construction of the multistory residential buildings in Sievierodonetsk, Luhansk region and Kramatorsk, Donetsk region.

IOM Ukraine implements 60-month project in selected cities of Donetsk and Luhansk regions, which aim is to provide a surplus to affordable, modern and energy efficient housing stock making it available for accommodation by vulnerable categories among internally displaced persons (IDPs) and locals.

In the framework of the Project IOM invites the suitable qualified and experienced **construction companies** to express their interest in execution of construction of the multistory residential buildings in Sievierodonetsk (Luhansk region, Ukraine) and Kramatorsk, (Donetsk region, Ukraine).

IOM intends to implement the Project by building of approximately 500-600 apartments in total (250-300 per city) in both regions, or approximately 35,000 m<sup>2</sup> of total living area. Therefore, the prequalified Applicants will further be invited to participate in a tender for execution of the full scope of construction works.

The comprehensive instructions for interested Applicants and standard forms may be found at a link:

<https://iom.org.ua/en/node/3462>

Applicants shall submit the sealed envelopes containing the EoI submissions either by registered post or hand delivery, latest by **16:00 (EEST) on 24 May 2021**.

Interested Applicants may address any queries related to this Call in writing (in English or Ukrainian) on email [iomkieltenders@iom.int](mailto:iomkieltenders@iom.int), specifying in the subject line:

*UA1-2021-1815 - Applicant's company name - Request for clarification*

This Call for EoI does not constitute a solicitation. Thus, submitting a reply to this Call for EoI does not automatically guarantee that an Applicant will be considered for receipt of the solicitation when issued. EoI's will be reviewed based on core technical competencies, proven experience, financial capacity, registration with the government authorities and outcome of reference check; procurement of services will be governed by the rules and regulations of IOM.

IOM reserves the right to reject any or all EoI's submitted, or to cancel the Call any time and without assigning any reasons thereof, without thereby incurring any liability to the affected Applicants.
