- The **Health** team provided assistance to 658 migrants inside and outside detention centres as well as disembarkation points. During the reporting period 2,167 internally displaced persons were provided with primary and urgent health care across east, west and south of Libya. The medical team, together with STACO conducted a health campaign in Zawya DC for 760 migrants.
- IOM's **Community Stabilization** team in Benghazi met with local CSOs to discuss ideas for social cohesion activities around IOM's infrastructure projects in the city.
- The **Protection** team continues to conduct regular visits, screenings and interviews with migrants in detention centres and urban areas. So far in 2019, the protection team supported 114 migrants with alternatives to detention. Since the beginning of the clashes in Tripoli, the protection team increased monitoring visits to detention centres and vulnerable migrants staying with host families.
- The **Technical Cooperation** team finished rehabilitation work in three detention centres. The team is also conducting regular visits to detention centres inside and around Tripoli to assess the needs of the migrants and monitor closely the conditions in the centres.
- IOM **DTM** teams across Libya continue to track displacement and provide regular updates that are pivotal in planning the humanitarian response to all affected populations.
