ASSISTANCE TO MIGRANT AND LIBYAN COMMUNITIES

- The **Displacement Tracking Matrix (DTM)** released Round 26 of their Migrant and IDP and Returnee Information Packages, continuing to provide the humanitarian community and beyond with comprehensive and timely data.
- The **Protection** unit carried out 36 protection assessments for 25 males and 11 females and continued monitoring of protection concerns facing migrants in Libya. Of these, 28 were vulnerability assessments and 8 were child protection assessments. The unit also conducted 34 outreach activities to urban areas and detention centres.
- The **Health** unit provided 638 migrants with primary and urgent health care, as well as 288 IDPs and host community members. The team referred 15 cases to hospitals and clinics for diagnostic of inpatient care. Additionally, IOM medical team attended a rescue at sea operation where they provided assistance for 28 migrants.
- The **Community Stabilization** unit held a 9 day professionalisation programme for CSOs from Kufra and Sabha, They also handed over tools and equipment for the General Water and Waste Water Company in Sabha, which will be used to address the current local challenges in waste water management.
