Humanitarian services delivered since 24 February 2022*

* IOM is adjusting and reinforcing its data collection, management and analysis tools in line with its expansion in programming scope and locations. This is done in close coordination with the cluster system.

RECENT RESPONSE

	<p>Large quantities of NFIs continue to arrive in Ukraine through IOM's multi-donor pipeline and network of warehouses. In the week of 6-12 July, 1,520 items (metal cots, jerry cans, mattresses) and 735 hygiene kits have been delivered to beneficiaries in Dnipropetrovsk, Vinnytsia and Zhytomyr regions. NFIs have already been distributed to 24 regions through IOM's direct implementation capacity and implementing partners.</p>
	<p>IOM's mobile repair teams concluded Shelter and WASH interventions in four locations in Uzhhorod and Vinnytsia during the reporting period. Additional collective centres have been visited and assessed by technical teams in Poltava, Ivano-Frankivsk and Vinnytsia regions; and plans discussed for the rehabilitation of a 6-storey former hospital in Uzhhorod into apartments for several hundred IDPs.</p>
	<p>During the reporting period, IOM's CCCM capacity building coordinator visited several collective centres in Vinnytsia Region to exchange with site managers and explore training needs. Dedicated training modules for site managers will be launched in August. IOM distributed NFIs (mattresses and winterization kits) to IDPs and launched three CCCM mobile teams in Dnipro municipality.</p>
	<p>IOM's WASH team have assessed collective centres and IDP sites in Dnipropetrovsk, Chernivtsi, Zakarpattia, Ivano-Frankivsk and Vinnytsia regions. A newly installed water treatment unit in Vinnytsia municipality provides safe drinking water to more than 200 IDPs. Discussions with the Head of Zhytomyr Region Administration were held to assess critical needs. 'Vodakanal' companies in Chernivtsi and Uzhhorod were provided with much-needed water treatment equipment and supplies. IDPs in collective centres in Dnipropetrovsk and Zakarpattia regions are supported through rehabilitation works and the supply of safe drinking water.</p>
	<p>IOM's cash-based intervention reached over 9,000 people with a total of UAH 60 million during the reporting period, bringing the total number of cash beneficiaries to 83,823. IOM is planning to expand cash activities to support winterization needs.</p>
	<p>IOM, through its implementing partners, continued to provide essential health services in Lviv, Poltava and Sumy regions, reaching 1,869 beneficiaries with direct medical or psychological support. This brings the total number of people supported to over 12,500 across 132 locations. Health awareness and promotion activities were organized and capacity building trainings were delivered to health professionals in the same regions.</p>
	<p>During the reporting period, an MHPSS training on professional burnout prevention for authorities in Khmelnytskyi and five psychoeducational radio sessions were conducted in Sumy Region. The Lviv municipality was supported with organizing recreational trips for displaced children and their families, benefitting a first group on 12 July.</p>
	<p>Youth Summer School for active IDP and host community youth took place in Lviv Region during the reporting period, following previous sessions in Vinnytsia and Ivano-Frankivsk regions. The attendants enhanced their leadership skills and learned about safe migration and prevention of human trafficking. IOM continues to provide general protection assistance, reaching more than 15,400 people since 24 February, and operates a Counter-Trafficking and Migrant Advice Hotline as well as a medical rehabilitation centre in Kyiv.</p>

Marianna and her family had to flee from Kharkiv and are now staying in an IDP centre in Vinnytsia Region. IOM
